# GET YOUR HEALTHY OMEGAS ON!

Doctors, Scientists, Nutritionists, and Herbalists now know, through proven Twenty-First Century Scientific Research, that the human body will function better and have a greater chance at optimal health with the proper ratio of Omega 3, 6 and 9 fatty acids. All three of these are important and play specific roles in overall health; not just Omega 3 alone. It is also necessary to take the correct balance of Omega 3, 6, and 9 every day. Our product is made from the finest Organic Flax Seed Oil, Borage Oil and Fish Oil from wild caught Anchovy, Sardines and Bonito that are specifically lab tested for heavy metals, mercury, and aluminum.
